## 4. Brainstorming about Wellness Weekend – Ivana

Academic Procedures Committee proposed to change the Wellness Weekend name. Next semester, on a Thursday and Friday (Feb 1<sup>st</sup> & 2<sup>nd</sup>), there will be a free week.

- Bokao brought up massages (\$4k last year)
- Grab and go resources to pick up something that would make someone feel “well.”
  - Craft kits/self-care
- Dinner for students (like DEIC)
- Sandy’s Donuts certificate
  - Local businesses contribution
- Bringing in animals!

**Commented [Au1]:** Frostable festival flyers, and activities. Messinging students with list of possible events to participate in that weekend, community activities, cupons for students to use. Detroit mountain, alexandria skii for discounts.

A part of Wellness Weekend is encouraging a lack of homework assigned, as well as keeping DS open. In keeping DS open, it would be beneficial to not have unhealthy foods during the weekend.

- Collaborated event between multiple organizations.

Counter argument: student org leaders having mandatory stay over a weekend. Sometimes wellness is being alone.

## 5. Proposal for Crisis Response Committee

Issues such as Israel-Palestine will occur, and the use of the committee is to make sure students impacted are heard.

Committee expected to bring ideas to Executive Team.

- What counts as crisis?
- Is the idea to support students or to respond to crisis?
  - Focus is student support
- Crisis submission should be given research by the committee to take into account for student concerns

Held under a conditional vote, Jayden motioned to vote. It passed
